

Notice: UPCOMING CHILD SAFE DAY

Child safety is on our minds more than ever. We can never do too much to protect our most precious gift, our children. Unfortunately a recent study* has revealed some rather startling statistics.

- **Nearly 800,000 children are reported missing each year.**
- **That represents over 2,000 children per day who do not come home.**
- **Experts agree that photos and other identification supplied in the first 24 hours are crucial in safe recovery.**
-

TCT Federal Credit Union is dedicated to protecting ALL of your assets which is why, with the help of National Income Life Insurance, we will be supplying for your children, FREE Child Safe Kits, as endorsed and supported by the International Union of Police Associations.

These kits, for you to keep, provide law enforcement officials with the following in the event of an emergency:

- Physical Description of the child
- Photo (to be updated as necessary)
- Fingerprints

Please stop by TCT Federal Credit Union with your child on the dates below where a representative from National Income Life will be on hand to give you your FREE Child Safe Kit and assist you in its' creation.
